A staff member will contact you regarding the location of your sponsored item. All items funded in 2011 will be installed in spring 2012. The donor will be contacted when installation is complete.

In addition to the engraved paver, the Legacy Program also provides the opportunity for the submission of a biography of the people or events being remembered and their connection to the Genoa Township community. Each submission of up to 100 words will be listed in the Legacy portion of the Township's website. This will create an ongoing historical record of our citizens and community. Please use the section provided on the back of this form to submit a biography page for the Township's website.
